

MUSIC Audition FAQs

- **Please sing a selection of ANY song you choose to audition with between 32-42 measures of music (approx. 1 min. to 1:30 mins).**
- **Selections should be focused on highlighting your vocal range.**
- **You may choose one of the songs from the production “Grease” to sing as an audition song.**
- **If you choose music to sing that is NOT from “Grease,” please bring the sheet music or karaoke track on a bluetooth enabled device.**
- **All should be somewhat familiar with the given song selections from “Grease” IF chosen to sing for a named role callback.**
